Education

2023–26*	**Ph.D.**, Environmental Sciences, The University of Manchester
2020-23	**M.S.**, Environmental Engineering, Research Center for Eco-Environmental Sciences
2016-20	**B.Eng.**, Environmental Engineering, China University of Mining and Technology-Beijing

Awards & Honors

2023.09	Significant Contributor in City Brain Open Research - Open Data Computing Workshop on Urban Climate
2022.06	National Scholarship for Graduate Students (the highest honor for postgraduates in China, 3%)
2020.06	Excellent Graduates in Beijing (5%)
2019.06	Special-Class Award in Beijing Energy and Water Conservation Low Carbon Emission Reduction Social Practice and Technology Competition
2018.12	Second Prize in Beijing Chemistry Experiment Competition
2017.11	First Prize in National University Student Mathematics Competition

Projects

2023.10	Unpacking the Dual Impacts of Dynamic Urban Land Change and Internal Climate Variability on Local Urban Climate (Co-investigator)

Teaching

The University of Manchester

2024.08: Observational weather data processing and automated machine learning for weather data modeling for the exchange program of undergraduate students from the School of Earth Sciences, Zhejiang University, China

Academic Advising

Undergraduate

2023 Kuang Wang, Zhejiang University (Biosystems Engineering) -> PhD (Computer Science) at The Chinese University of Hong Kong, Shenzhen

Other Experience

2023 Training of SQL and could computing, Yunqi Academy of Engineering, Hangzhou, China
